Dear: Lab Director

The Centers for Medicare and Medicaid Services (CMS) granted the Texas Department of State Health Services the authority to issue this letter.

The last CLIA certificate issued by CMS under the number 45D0954953 expired on, **10/19/2019**, however, this certificate will remain effective until one of two things occurs:

1. CMS renews your certificate for a two-year period and sends you the new certificate, or
2. CMS administratively extend your certificate again.

Texas Medicaid has agreed to accept this letter until you receive your new certificate. However, once you obtain your new certificate you may need to provide Medicaid with a copy if their regulations require you to do so.

This letter may also be acceptable to other entities to which you submit claims.

If you have any questions, please contact Celina Silvestre at (817) 264-4752.

Thank you,

Celina Silvestre
